OPENREACH GIGABIT BROADBAND UPDATE

The work to promote the installation of fibre broadband in Lapford continues with Phil Bridges having attended the Lapford Village market last month to talk with residents about the project.

Remember, if you sign up as part of the voucher scheme this allows up to £4,500 to be allocated per property and the pot to be 'spread around' the community. If we achieve sufficient pledges, there will be no additional costs for voucher holders. We are currently at approximately 70% of the sign up required to go ahead.

If you have any questions, Phil can be contacted at philbridges@email.com, or 07990 563147.

LADIES OF LAPFORD - LADIES AND THE LAW

Well, yes; keeping on the right side of it on the road and keeping ourselves and others safe were the topics for our evening meeting in March. We had a good turnout. Obviously, we are all keen to be model citizens. Or was it that we were just keen to avoid those nasty little points on our licences? If so, we had the perfect guide. Belinda joined us for the evening to speak about safer driving. As someone who delivers the National Speed Awareness Course, she is very well placed to help us become better drivers.

She began with a simple test of our knowledge about speed limits. She showed us four classes of road: one in an urban environment, one such as the A road between Crediton and Lapford, a stretch of dual carriageway and a motorway. We were asked to say the speed limit for each one. I'd like to say we agreed correctly on them all, but sadly, we only agreed on the limit for motorways. For the other roads, we managed to offer a variety of speeds. Apparently, this confusion is very common. She also pointed out that certain types of vehicles can have different speed limits from the one stated on the roadside so beware if you are driving something you don't usually drive.

She went on to show a video that demonstrated the importance of driving at the right speed. Many of us are probably guilty of thinking a couple of miles per hour more won't make a difference and anyway, there is a tolerance above the speed limit, isn't there? Wrong on both counts. There used to be a tolerance band that *might* get you off the hook; there isn't now. It is also wrong that going just that little bit faster won't make a difference. It **does** make a dramatic difference to the time it will take you to stop. We watched as cars crashed into people and cars (cardboard ones) whereas the car travelling just a few miles per hour more slowly could stop before impact with them. Given that an increase in speed often only makes a difference of minutes to your arrival time, it clearly isn't worth it.

She supplied some sobering figures about the number of deaths and serious injuries that occur on our roads every day and reminded us that our own A377 has been designated as one of the Red roads in Devon meaning that traveling along it carries a high risk of harm. It has been so designated because of the number of accidents along it. Belinda also told us that 93% of accidents are considered to be driver error and therefore presumably avoidable with less loss of life or injury.

She told us about COAST. This mnemonic is to remind us of the five things that can help us to drive more safely – Concentration, Observation, Anticipation, Space and Time. Belinda took us through each of these advising on ways to improve our concentration, showing us the importance of observation and anticipation by getting us to watch a video and pick out the possible dangers so that we were anticipating them and therefore ready to take action. She reminded us of Rule 126 of the Highway Code which 'advises you to drive at a speed that allows you to stop well within the distance you can see to be clear' and to leave a two second gap between yourself and the car in front. Remember 'only a fool breaks the two second rule'? She showed us how to pick a fixed marker ahead on the road and say this little rhyme during the time between the car in front passing it and yourself passing it. If you can't fit it in, you are too close. She talked about the pressure tailgating puts on people and how to deal with it. Her point was to underline how simply allowing more space and time can save lives and she reminded us that space and time are even more important when conditions are less than ideal.

It was a really useful and instructive evening. Belinda had a very attentive audience and there were questions and a lot of relevant chat as we enjoyed tea and cake when she had finished. I don't know how many drove home afterwards but I'm sure they did so even more safely than usual. Oh, and if you *do* see dangerous driving and have it on dashcam, send it in. The police get over 6000 dashcam videos a year in Devon and Cornwall alone! They can act on these and, be warned, they **do**.

A THANK YOU FROM THE EDITORIAL TEAM

The Lapford Lookout Editorial Team would like to thank "Steve" who stopped to help when we were leaving the Orchard Centre after the Editorial Meeting for this month's issue and encountered a problem with the lock.

A mention also to Julie Down who arrived with a spare key so we could lock up!

Thank you Steve and Julie, your help was much appreciated and a great example of why we love living in Lapford.

Lapford Weather Review

Lapford Weather March 2024

Milder than average by one degree. Wetter than average too.

The warmest day was the 19th with a maximum of 15.5°C and the coolest was the 1st which only got to 7.4°C. The coldest night was on the 2nd with a minimum of -1.0°C, while the 6th saw a grass temperature down to -5.4°C.

Total rainfall was 117.7 mm, a little under twice the average for March. The wettest day was the 28th with 15.6 mm. Interestingly we woke to a layer of wet snow on the morning of the 28th, quite late in the year for such an event and the first lying snow for the whole winter. It soon melted in the rising temperature and rain.

The windiest day was the 4th with a gust of 39 m.p.h.

LAPFORD BOOK CLUB

If you read all the Lapford Lookout, you will have noticed the regular book review from members of the Lapford Book Club.

We are an enthusiastic group of bookworms. Each year we are sent, by Devon Libraries, a list of 250 book titles, all the information we are given is the title and author, from which we have to choose 24. Monthly a random title from our list is delivered to Crediton Library awaiting collection, and on the first Monday of the next month, we meet in The ARK.

We all chip in our opinion of the last book, quite a lively, good natured, discussion follows. When nobody has anything else to say, the new book is handed out, with mixed reception if it looks interesting or resignation if not to your taste. Finally, a volunteer is nominated to send in a review (this is always their own opinion) and we all go home, either to dive into the new book or to put it on a shelf until it cannot be put off any longer.

If you enjoy reading (and good conversation) you may also enjoy joining our little group. We meet at The ARK on the first Monday of the month. For any further information, phone Jill Doe on 01363 83410.

REMINISCENCE GROUP

Did you know, Crediton Library hold a monthly Reminiscence Group? It's a chance to have a chat about your memories in relaxed, friendly company over a cup of tea. Each month we explore a different theme using photos, books, objects or music. Attendees can also bring along items or photos they'd like to share.

Upcoming dates and themes are:

10th May- Film, TV and Radio
14th June- Recipes and Food
12th July- Music
9th August- Holidays
13th September- School

Reminiscence Groups take place at the library on the second Friday of each month, 2-3.00 p.m. You can also book a 1-1 Reminiscence Interview with one of our volunteers, to chat more generally about memories from childhood and school through to work and family (or anything else you'd like to reminisce about). These 1-1 conversations are audio recorded at home or at the library and added to an online collection.

Part of the Reminiscence Project, funded by the National Lottery Heritage Fund. For more information, or to book a place at a Reminiscence Group session, please email crediton.library@librariesunlimited.org.uk or call 01363 772578.

LAPFORD BIG HELP OUT DAY - SATURDAY 8TH JUNE

10-00 a.m. meet at the Orchard Centre to volunteer for litter-picking, sign cleaning, weeding and other odd jobs to make our village tidier and smarter.

Our last Big Help Out Day for the Coronation was very successful – let's make it bigger and better this time!

To offer particular DIY skills ahead of the day please contact:

Cllr. Steve Fletcher on 07891 142436,
steven.fletcher@lapfordparishcouncil.org.uk

This will be followed by a snack lunch at **12.00 noon** in the Victory Hall for volunteers.

Volunteering Exhibition (from 12.00 noon)

All readers are warmly invited to the Victory Hall to learn a little more about the wide variety of groups in our village. Who are they? What do they do? What can they offer? What could you gain by being involved? Volunteering opportunities will be available. Please come along to find out more. Everyone is welcome.

A quick glance at the long list of organisations on the inside back page of the Lapford Lookout shows what a vibrant community we are fortunate to live in. These groups are all run by volunteers – the lifeblood of our community. This list is not exhaustive. The Parish Council organises Litter Picking and Village Clean Up Days. Many individual parishioners are only too happy to donate a raffle prize, sell draw tickets, bake a cake, help put up a tent, or litter pick of their own accord. All are unsung but make a valuable contribution to village life.

Many village groups will be taking part in the Exhibition. Why not come along and meet some of them? Perhaps have a chat about what they have done in the past and would like to achieve in the future?

So, please come along and find out more about what goes on in our wonderful village. Meet some of the people involved. Perhaps you might consider volunteering yourself if you connect with a group or organisation that 'fits'. Volunteering is a great way to meet new people, get involved, or just to give back. There is no onus to commit to anything, but just imagine if every one of us made just one volunteering effort – what a difference that would make! Volunteers are valued.

Connect with your community and make it a better place from which we all benefit. Remember, someone is sitting in the shade today because someone else planted a tree a long time ago!

Cheese and wine on tap courtesy of LADS. All welcome.

If your group would like to take part and has not already signed up, please contact Cllr. Sue Briant-Evans on 01363 83763 sue.briantevans@lapfordparishcouncil.org.uk. The hall will be open from 10-00 a.m. for organisations to set up their tables.

4-30 p.m. at The ARK, Lapford Lookout Volunteers thank you Tea Party.

LAPFORD BOOK CLUB REVIEW

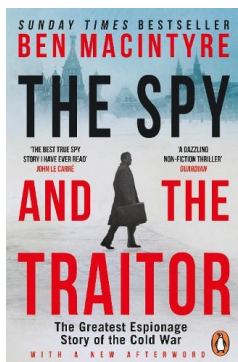

"The Spy and The Traitor" by Ben Macintyre

This account of espionage and counterespionage during the height of the Cold War keeps the reader fascinated with the last third of the book culminating in such a gripping read it is hard to put the book down.

Oleg Antonyevich Gordievsky born in 1938 was the second son of a KGB officer and the younger brother of a KGB officer, therefore it was inevitable that he should study in preparation for being invited to join the KGB (one did not apply to join). Oleg was a linguist with an incredible memory. He became a very good KGB agent. Oleg found his nation's communism to be corrupt and criminal, the suppression of the Czechoslovakian Revolution motivated him to make overtures to Western intelligence. He became a double agent spying for the British during the very tense period of the Cold War during the 1970s and 80s. He had grown to enjoy the freedom of the Western way of life while posted in the embassy in Denmark.

Ben Macintyre takes the reader through the intricate process of Oleg achieving his aim, with British minders watching him and obtaining vital information from him and at the same time protecting him. There are many names from British politics that crop up throughout Oleg's period of leading a double life. A well written book giving an insight into the intrigues of the duplicity of the world of espionage and counter espionage. Most members thoroughly enjoyed the book and would recommend it.

HATS OFF TO OUR YOUNGSTERS!

Lapfordians Emily Passmore and Alex Fletcher have both been offered a place to study at Exeter Maths School this September. Both sat their GCSE a year early, achieving the top grade of nine.

Exeter Maths School is a state-funded sixth form, jointly sponsored by the University of Exeter and Exeter College, for young people who love maths, physics and computing. As it receives applications from all across the South West and has limited places, all applicants have to go through a challenging entrance exam and interview process.

This follows on from the success of Christian Woodley last year who is also now attending Exeter Maths School.

We would like to say "Well Done" to all three of you and wish you all the very best in whatever the future brings you.

PROVIDING HELP AND ADVICE IN OUR LOCAL COMMUNITY

Regular readers of these community columns will know that we help people with a vast array of problems. Many are finance related, especially since the increase in the cost of living has impacted on households across the area. People by and large do not know what benefits or financial assistance is available that they may be able to claim and even if they think they may be able to get help, they often don't know how to go about applying for it or are simply too proud to ask. Quite often, eligibility for certain benefits opens the door to other assistance and in today's world, the problems that people present to us are becoming increasingly complex.

We have specialist teams to advise on things like debt and energy as well as help that is available to people with special needs such as people with cancer or other life limiting illnesses. We can help with housing problems and social needs and if we can't provide the help that is needed, we can refer people to other organisations that are more specialised in particular areas.

In our articles we have talked about shoddy workmanship, rights that people have when holidays don't measure up, employment issues and what to be aware of when buying a car. We are here to listen and give free, impartial advice to anyone who needs it.

For us, the start of a new financial year is a time to reflect on what we have achieved in the previous financial year in terms of the numbers of people we have helped, the problems we have advised on and the impact that has had. We are continually striving to improve our efficiencies and find more ways to help more people. This year we introduced a new email advice service for instance, and we are looking at ways to make getting advice more accessible, for example, by making more information available on our website.

We also understand that not everyone is computer savvy and sometimes people just want to be able to talk to somebody on the telephone or in person which is why we have an ongoing recruitment and training programme to grow our volunteer numbers. All our volunteers get full training and ongoing support and volunteering with us can lead to paid employment opportunities. You don't need to be an expert in any particular field, you just need to care and have a willingness to listen; our training and support will see you through the rest. If meeting new people and helping within our local community appeals to you, please contact recruitment@citizensadvicectnmwd.org.uk.

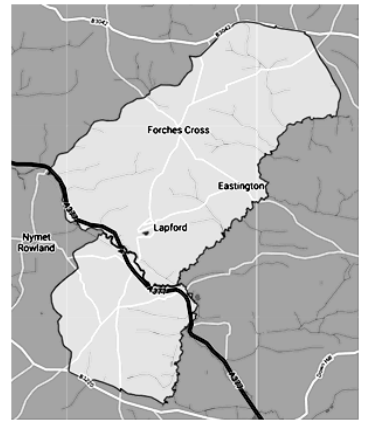

LAPFORD PARISH COUNCIL NOTES - MARCH 2024

WHAT HAS THE PARISH COUNCIL DONE RECENTLY?

- Assisted LYPFT with a section 106 application for funding.
- Ordered new finger posts for the missing ones around the parish, awaiting arrival for fitting.
- Had MDDC replace or repair Dog and Refuse bins around the village.
- Co-opted Cllr Heal onto the Parish Council following a resignation.
- Placed three new grit bins strategically around the village.
- Proposed a new Bus Shelter for the top of Highfield – this is ongoing.

WHAT WILL THE PARISH COUNCIL DOING IN THE COMING MONTHS?

- Repainting the Orchard Centre
- Refurbishing and repurposing the Phone Box after electrical disconnection.
- Aiming to clean the village signs and bus shelters.
- Completing Chapter 8 Training and building a team of volunteers for the Road Warden scheme
- Completing First Aid Training with Roy Trevaskis meaning that the village will have several first aiders to hand in any event
- Re-planting and maintaining the village flower beds.
- Aiming to provide another defibrillator for the lower part of the village.
- Siting a grit bin in Highfield soon

These notes summarise the discussions held:

- Phil Bridges from Coldridge had been invited to make a presentation on the concerns with the Openreach Fibre Connection project in Lapford.
- There were currently 160+ applicants within all the parishes involved, of which roughly half were in Lapford. This represented about 7-8% of households and Anthony believed that a target of around 10% would enable the threshold to be crossed and the connection project to go ahead. He estimated that Lapford, by far the biggest of the parishes involved, would need to recruit another 25-30 households to sign up.
- The connection charge under this scheme would be zero, which would not be the case once the present offer has closed.
- One of the big disincentives was that people were concerned that a faster broadband would result in higher supply charges. The clerk pointed out that Sky's charges were currently just £1 a month higher for Ultrafast connections.
- It was important to emphasise that this scheme would future proof a supply which would inevitably be necessary as technology progressed.

HOLD REPRESENTATION

Cllr Lumsdon offered to fill this role.

COMMITTEE REPORTS

Celebrations Committee

- Revised Terms of Reference were adopted. Arrangements for commemorating the 80th anniversary of the D-Day landings on 6th June and a Parish Volunteering Day on 10th June were ongoing.

Lapford Emergency Action Plan (LEAP) Committee.

- The provision of a new grit bin for Highfield was in the pipeline.
- The bridgeworks had been re-promised by highways.
- The lack of fencing by the river bridge to be pointed out to Highways yet again, making it clear that responsibility lies with the County should anything happen there.
- Road Warden Training – Cllr. Lumsdon and two other volunteers are now progressing through the training.
- Roy Trevaskis had offered to conduct First Aid and Defibrillator training. The date of 23rd April at 7.00 p.m. at the Victory Hall was agreed.

LIBRARY SUPPORT

- The county council grant scheme for alternative library facilities had been oversubscribed and was now closed. The ARK library group were now putting together a more extensive proposal than before and would approach the Parish Council when that was finalised.

VILLAGE WEED CLEARANCE

- Cllr. Fletcher has spoken with a contractor and discussions are ongoing.

ASSETS INSPECTION

- Cllrs. Andrews and Briant-Evans would undertake this task.

VILLAGE SIGN

- Refurbishment is underway by Cllr. Andrews, once complete it will be installed.

VICTORY HALL COMMITTEE

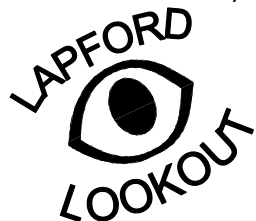

- Would like more parishioners to come to the management committee meetings and aid in the growth of the Victory Hall moving forward.

LAPFORD LOOKOUT DELIVERY PERSON REQUIRED

A volunteer delivery person is required for the distribution of the Lapford Lookouts at the end of May for the June issue and also at the end of June for the July issue.

The Lapford Lookouts (600 copies) would be delivered to you and the position involves distributing these in differing quantities to our volunteer deliverers.

OUTING BY COACH TO WELLS CATHEDRAL AND THE BISHOP'S PALACE AND GARDENS WEDNESDAY 12TH JUNE 2024

Enjoy a guided tour of Wells Cathedral, "the most poetic of English cathedrals". Built between 1175 and 1490, its unique features, the beautiful "scissor arches", Jesse window, famous Wells clock and octagonal chapter house set it apart from all others. Also included is admission to the splendid Bishop's Palace, home of the Bishops of Bath & Wells for over 800 years, with 14 acres of outstanding gardens and the well pools from which the city takes its name.

CHULMLEIGH FLORAL ART CLUB

Please come and join us every third Wednesday of the month in the Chulmleigh pavilion at 7.30 p.m.

May 15th - Karen Smith will be joining us and giving us a demonstration entitled 'Village Life'. The competition asks you to depict in flowers, a childhood memory.

May 29th - This will be our open evening when we welcome Alison Penno who is a national demonstrator.

PRUNE COMPOTE

Prunes are an often-neglected fruit but they make an excellent compote when stewed with orange juice and muscovado sugar.

250g (8oz) pitted prunes, finely grated zest, and juice of one large orange, 50g (2oz) muscovado sugar.

Place the prunes, orange juice and zest in a basin with just enough hot water to cover the prunes. Cover and leave overnight to soften. To cook the prunes, add the sugar and stew gently until tender on the stove top, or in a casserole in a moderate oven. These are good with yogurt or ice cream.

We always welcome new members.

Come and join us!

DO YOU HAVE A DONOR CARD?

If so, it's actually no longer needed in England, Scotland and Wales, as you're automatically considered willing to be an organ donor unless you opt out. Yet do register your decision at www.organdonation.nhs.uk so your family know you consented / opted out (better still, discuss it with them).

PS: There are many worthwhile things you can be a donor for while living, including:

blood and plasma donation (www.blood.co.uk),

bone marrow donation (www.bbmr.co.uk),

stem cells-age 16-30-(www.anthonynolan.org/help-save-a-life)

and hair for young cancer patients

(www.littleprincesses.org.uk/donate-hair)

BORROWING COMMUNITY EQUIPMENT

From time to time requests are made to borrow equipment stored in the container on Lower Town Place, usually the BBQ or tents.

In order to formalise the process a small group has come together representing the organisations which originally purchased the equipment or have been responsible for its upkeep and storage. To manage the process better there is now a booking and returns system in place.

To request an item(s) please contact either Darren Crump on 07960 715553 darrencrump99@hotmail.co.uk or Steve Keable on 07967 655045 steve.keable@btinternet.com at least five days in advance of the proposed borrowing date.
